

## **Bruno Mars - Her World Goes On**

```
Tom: D
Intro: Em Bm D A
 I'm traveling without her somewhere far away
              Bm
 I keep thinking about her but I know I can't stay
She haunts me like a nightmare, her image is everywhere
 She doesn't leave me alone
 I can't escape her or erase her
                    Α
 When I know she's not coming home
I can't understand where I went wrong
I can't understand where her love has gone
    Em
                Bm
I don't know where I belong
    D
My world is over
                     Bm
                           D
                                Α
              Fm
When life goes on and on and on (her world goes on)
             Em Bm D A
When life goes on and on and on (my world is gone)
```

```
Am I crazy or just human
Is this what heartbreak is
What should I be doing
It feels like I got seconds to live
she haunts me like a nightmare, her image is everywhere
she doesn't leave me alone
I can't escape her or erase her
When I know she's not coming home
I can't understand where I went wrong
I can't understand where her love has gone
    Em
                 Bm
I don't know where I belong
    D
My world is over
              Em
                            D
                     Bm
When life goes on and on and on (her world goes on)
              Em
                     Bm D
When life goes on and on and on (my world is gone)
(Em Bm D A)
My world is over while her world goes on
I can't understand where I went wrong
I can't understand where her love has gone
I don't know where i belong
My world is over
When life goes on and on and on (her world goes on)
When life goes on and on and on (my world is gone)
```
