

# Bruno Mars - Never Say U Can't

Tom: F

F C Dm F Bb  
Oh, Oh, Oh, Oh.

F C  
When I was just a little boy  
Dm  
Barely strong enough to stand  
F Bb  
I could always count on him oh

F C  
He thought me everything I know  
Dm  
And 'till this day it shows  
F Bb Bb Gm  
He was more than just a friend (Ah ah ah)

Gm C Gm  
There were so many times I would doubt myself  
C  
But his words were always there to help

Refrão:  
F F  
How would it be? Where I am?  
Dm F  
If my father didn't tell me  
Gm Bb  
To never say I can't

F  
He'd carry me  
F

And never let me fall  
Dm F  
Oh and the only thing he asked  
Gm  
Right before he passed  
Bb  
Was to never say you can't (refrão fim)

F C Dm F Bb  
Never say you can't Oh oh oh Oh  
So when last rain begins to fall  
And you're out there on your own  
And you can't see a thing  
No no no  
Just find a voice that understands  
For me it was my old man  
Bb Bb Gm  
Taught me to say the words I can

Gm C Gm  
There were so many times I would doubt myself  
C  
But his words were always there to help  
(Refrão)

Bb C  
Everything he taught me would stay with me forever  
F C Dm F  
No I won't forget a thing  
Bb C  
Oh because of dad I now know myself better  
F  
And I hope I can do for him what he did for me  
(Refrão)
