

# Bruno Mars - Rest Of My Life 2

Tom: F

Everyday I wake up next to an angel  
 More beautiful than words could say  
 They said it wouldn't work but what did they know?  
 Cause years passed and we're still here today

Never in my dreams did I think that this  
 Would happen to me

As I stand here before my woman  
 I can't fight back the tears in my eyes  
 Oh, how could I be so lucky?  
 I must have done something right  
 And I promise to love her  
 For the rest of my life

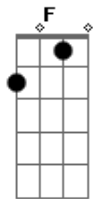

Seems like yesterday when she first said hello  
 Funny how time flies by when you're in love  
 It took us a lifetime to find each other  
 It was worth the wait cause I finally found the one

Never in my dreams did I think that this  
 Would happen to me

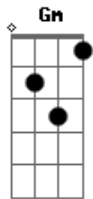

As I stand here before my woman  
 I can't fight back the tears in my eyes  
 Oh, how could I be so lucky?  
 I must have done something right  
 And I promise to love her  
 For the rest of my life

Final: F Gm C F
