## Bruno Mars - When I Was Your Man

```
Tom: C
                                                                  Dm
                                                              The mess I made
                                                              G
                                                               And it haunts me every time I close my eyes
Intro:
                                                              It all just sounds like
                                                              Am
                                                                                 Fm
(C Em )
                                                              Ooh, ooh, ooh, ooh, ooh
                                                               Too young, too dumb to realize
Primeira Parte:
                                                              Refrão:
                   С
Am
 Same bed but it feels
                  Dm
Just a little bit bigger now
                                                              That I should've bought you flowers
                                                                              C
 Our song on the radio
                                                               And held your hand
            С
                           Fm
But it don't sound the same
                                                              Should've give you all my hours
                                                                             С
When our friends talk about you
                                                               When I had the chance
                         Dm
All that it does is just tear me down
                                                              Take you to every party
                                                                           G
                                                                                             Am
 Cause my heart breaks a little
                                                              Cause all you wanted to do was dance
                                                              D7
                                                                           F
When I hear your name
                                                              Now my baby is dancing
                                                                        Fm
  Fm
And all just sounds like
                                                              But she's dancing with another man
Ooh, ooh, ooh, ooh, ooh
                                                              Terceira Parte:
 Too young, too dumb to realize
                                                                          F
                                                              Although it hurts
Refrão:
                                                              I'll be the first to say that
                                                                   C Em Am Am
                             F
That I should've bought you flowers
                                                              I was wro_____
                                                                                ng
                                                                     D7
               С
 And held your hand
                                                              Oh, I know I'm probably much too late
                                                                    Dm
                                                              To try and apologize for my mistakes
Should've give you all my hours
 When I had the chance
                                                              But I just want you to know
                 F
Take you to every party
                                                              Refrão Final:
             G
                               Am
Cause all you wanted to do was dance
                                                              I hope he buys you flowers
              F
Now my baby is dancing
                                                              I hope he holds your hand
         Fm
                               C F C Em
But she's dancing with another man
                                                                               F G
                                                              Give you all his hours when he has the chance
Segunda Parte:
                                                              Take you to every party cause I remember
               С
                                                                           Am
 My pride, my ego
                                                              How much you loved to dance
My needs and my selfish ways
                                                              Do all the things I should've done
                                                                              С
                                                              When I was your man
 Caused a good strong woman like you
                  Em
      C
                                                              D7
                                                                                                Fm
                                                                               F
To walk out my life
Am C
                                                              Do all the things I should've done
                                                                                С
Now I never, never get to clean up
                                                              When I was your man
