Bruno Martini - Save Me (Feat. Mayra, Avian Grays & Trixl)

```
                          tom:
                    E
              D
I feel Insane
                    Gbm                 E
I think there's something wrong inside my brain
      D
I can't explain
        Gbm         E
I just want to run away

      D
I'm lost in the sound

Roaming downtown
        Gbm                     E
Going around feeling down down
      D
I'm on a highway sleeping by day
                Gbm
Please for Christ sake
                    E
Someone save, save me

            D
Save, save me
                Gbm           E
Someone save, save me - e - eh
                D
Someone save me
                Gbm           E
Someone save, save me - e - eh
            D       D     Gbm       E
Save, save me

          D       D       Gbm       E
```
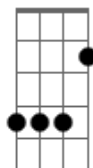

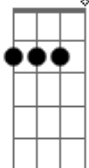

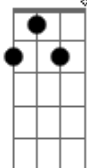

```
Save, save me...     - e     -eh
    D
I hear a voice
                Gbm       E
Much louder than radio, stereo

Can't control
        D
It's physical
        Gbm         E
I just want to run away

          D
I'm lost in the sound

Roaming downtown
        Gbm                     E
Going around feeling down down
              D
I'm on a highway sleeping by day
                Gbm
Please for Christ sake
                    E
Someone save, save me

            D
Save, save me
                Gbm           E
Someone save, save me - e - eh
                D
Someone save me
                Gbm           E
Someone save, save me - e - eh
            D       D     Gbm       E
Save, save me

          D       D     Gbm       E
Save, save me...     - e     -eh
```
