

# Bryan Adams - A Little Love

Tom: C

C

above sequence is being repeated a number of times throughout the song

and the same is connected to another sequence F as.....

F

The song is pretty simple. Only basic chords are used like C, F, G....

The song goes as under.

Intro: C (the sequence is repeated)

C  
C some people walk the straight and narrow - some walk the rocky road

C some get the silver spoon and some get the heavy load  
F  
C there's a man in a paper box he smiles whenever we walk by

C we just walk a little faster and say "there but for the grace of God go i"  
G

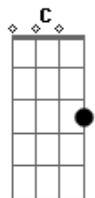

G C but a little love - just a little love - a little love  
C can change it all

C  
C i've been up and down this highway and i ain't seen a road sign yet

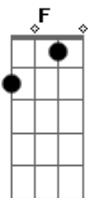

C it's a cold hard world baby you gotta hang on to what you get

F

well i don't believe in miracles but that don't mean they don't come true

C

C well i may not get to heaven but i get a little closer when i'm with you

G C but a little love - just a little love - a little love  
G can change it all  
(yeah)

F  
well i get a little tired walkin' down the street

F people on my side - everyone i meet

C but they don't know what's on my mind

C and they don't know that they might find

G C a little love - just a little love - a little love  
G can change it all

C right when you think you don't need love is when you need it most

C if you got the father the son and the holy ghost

F well there's more to truth baby than what we know is true

C ya we wander round in the darkness but every now and then a little light shines thru

G C and a little love - just a little love - a little love  
G can change it all
