

Bryan Adams - Have You Ever Really Loved a Woman

Tom: Bb

(intro)

To really love a

woman, to understand her, you've got to know her deep inside
Hear every thought, see every dream, and give her wings when
she wants to fly

Then when you find yourself lying helpless in her arms, you
know you really

love a woman

(refrão)

When you love a woman, you tell her that she's really wanted.

When you love a woman, you tell her that she's the one

She needs somebody, to tell her that it's gonna last forever
{2nd}(She needs somebody, to tell her that you'll always be
together)

So tell me have you ever really...really, really ever loved a
woman

To really love a woman, let her hold you,
till you know how she needs to be touched
You've got to breathe her, really taste her
till you can feel her in your blood
And when you can see your unborn children in her eyes
you know you really love a woman

You've got to

give her some faith, hold her tight, a little tenderness
you've got to treat her right

She will be there for you taking good care of you

You really gotta love your woman

(solo)

And when you find yourself lying helpless in her arms,
you know you really love a woman

(refrão 3X)
