Bryan Adams - I Thought Id Seen Everything

Tom: Gb

   Verso 1:
```
Gb
I like the way we are -
Gb
I love what we've become
Gb
When I'm in your arms -
Gb
I know I've found the one
Gb                    B
I love your kiss me mouth -
                Db
and your static touch
                      Gb
It?s just the way you are -
                    E
that makes me feel so much
```

Verso 2:
```
Gb
No one could ever know -
Gb
what we're like alone
Gb
Rollin' round like rain -
Gb
we're a midnight storm
Gb          B
Like a river rising -
                Db
I feel it thru your skin
          Gb
When we're together -
              E
I never want it to end
```

Chorus:
```
                        Gb          Db
Oh, I thought I'd seen everything -
        Abm   B
til I saw you
                    Gb          Db
I thought I'd been everywhere -
            Abm   B
til I'd been with you
Gb            Db        Abm
I thought that everyone
              B
knew what I knew
Abm                  Db          Abm
I thought I'd seen everything -
```

```
          Db    Gb
til I saw you
```

Verso 3:
```
Gb
I like the way we are -
Gb
like a raging fire
Gb
Burning up the night,
Gb
burning with desire
Gb                        B
You're such a sweet temptation -
                    Db
you know I can't resist
          Gb                          E
Electricity, hey every time we kiss
Repeat chorus:
                        Gb          Db
Oh, I thought I'd seen everything -
        Abm   B
til I saw you
                    Gb          Db
I thought I'd been everywhere -
            Abm   B
til I'd been with you
Gb            Db        Abm
I thought that everyone
              B
knew what I knew
Abm              Db          Abm
I thought I'd seen everything -
          Db    Gb
til I saw you
Instrumental (verse chords):
Repeat chorus:
                    Gb          Db
I thought I'd seen everything -
        Abm   B
til I saw you
                    Gb          Db
I thought I'd been everywhere -
            Abm   B
til I'd been with you
Gb            Db        Abm
I thought that everyone
              B
knew what I knew
Abm              Db          Abm
I thought I'd seen everything -
          Db    Gb
til I saw you
Outro: F#
