I sang along but I was...

Em **Am**
I was only dreaming
Em **Am**
I was only dreaming,
C **G**
Visions in my head
Talking in my sleep **C**
Turning in my bed **G**
Life was so complete **C**
Her shoes were on the beach **G**

But I was only dreaming

I met a girl that talked in rhyme,
Em
I met a girl who took her time,
C
I saw the ocean in her eyes,
D
I saw myself unrecognized.

G
And all the stars up in the sky,
Em
Fell down like rain and made me cry,
C
I held the world right in my hands,
D **Em**
I held her close but I was...

Em **Am**
I was only dreaming
Em **Am**
I was only dreaming,
C **G**
Visions in my head
Talking in my sleep **C**
Turning in my bed **G**
Life was so complete **C**
Her shoes were on the beach **G**
B **Em**
But I was only dreaming
