

Bryan Adams - Lets Make a Night To Remember

Tom: C

I love the way you look tonight,
With your hair hangin' down on your shoulders.
I love the way you dance your slow sweet tango,
The way you want to do everything but talk.
And how you stare at me with those undress me eyes,
Your breath on my body makes me warm inside.

Let's make out Let's do something amazing
Let's do something that's all the way.

Cause I've never touched somebody, like the way I touched
your body,

Now I never want to let your body go.

Let's make a night, to remember.

From January, to December.

Let's make love, to excite us.

A memory, to ignite us.

Let's make honey baby, soft and tender.

Let's make sugar darling, sweet surrender.

Let's make a night, to remember, all life long.

Instrumental: F G Am F

Oh, when I think about you all of the time.

Can't you see you drive me out of my mind.

Well I'm never holding back again.

Yeah I never want this night to end.

Cause I've never touched somebody, like the way I touched
your body,

Now I never want to let your body go.

Let's make a night, to remember.

From January, to December.

Let's make love, to excite us.

A memory, to ignite us.

Let's make honey baby, soft and tender.

Let's make sugar darling, sweet surrender.

Let's make a night, to remember, all life long.
