

# Bryan Adams - Open Road

Tom: B  
Intro: Db E B Gb

I'm sitting at the wheel  
I got a green light  
Not afraid of nothin' cuz heart and soul  
I'm built for life

So let the engine roar  
Push the pedal down  
I want the white lines on the highway  
To lead me out of town

I'm rolling on and on and on  
Who knows where I'm goin'?

Life is an open road  
It's an endless sky, it's the deepest sea

Life is an open road to me

I got headlights  
To guide me thru the night  
I got the window down and the radio playing  
It makes me feel alive

I'm rolling on and on and on  
Who knows where I'm goin'?
