

Bryan Adams - Please forgive me

Tom: A

Intro:

It still feels like our first night together
 Feels like the first kiss and it's getting better, baby
 No one can better this
 You're still holding on, you're still the one
 The first time our eyes met, same feeling I get
 Only it feels much stronger, I wanna love you longer
 You still turn the fire on

Ponte:

So if you're feeling lonely, don't
 You're the only one I ever want
 I only wanna make it go
 So if I love you a little more than I should...

Refrão:

Please forgive me, I know not what I do
 Please forgive me, I can't stop loving you
 Don't deny me this pain I'm going through
 Please forgive me, if I need you like I do
 Please believe me, for what I say is true
 Please forgive me, I can't stop loving you

Instrumental: A E Gbm E

Still feels like our best time together
 Feels like the first touch, we're still getting closer,
 baby
 Can't get close enough
 You're still holding on, you're still number one
 I remember the smell of your skin, I remember everything
 I remember all your moves, I remember you, yeah!

I remember the nights, you know I still do

Ponte:

So if you're feeling lonely, don't
 You're the only one I ever want
 I only wanna make it go
 So if I love you a little more than I should...

Refrão:

Please forgive me, I know not what I do
 Please forgive me, I can't stop loving you
 Don't deny me this pain I'm going through
 Please forgive me, if I need you like I do
 Please believe me, for what I say is true
 Please forgive me, I can't stop loving you

(D)

One thing I'm sure of, is the way we made love
 One thing I'm in pain now, is for us to stay strong
 With every ride and every bus I'm prayin'
 That's why I'm saying...

Refrão:

Please forgive me, I know not what I do
 Please forgive me, I can't stop loving you
 Don't deny me this pain I'm going through
 Please forgive me, if I need you like I do
 Baby believe me, for what I say is true
 Please forgive me, I can't stop loving you
 No, believe me, I don't know what I do
 Please forgive me, I can't stop loving you
