

Bryan Adams - Sound The Bugle

Tom: **G**

VERSE 1:

Sound the bugle now - play it just for me
 As the seasons change - remember how I used to be
 Now I can't go on - I can't even start
 I've got nothing left - just an empty heart
 I'm a soldier - wounded so I must give up the fight
 There's nothing more for me - lead me away...
 Or leave me lying here

VERSE 2:

Sound the bugle now - tell them I don't care

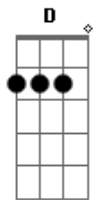

There's not a road I know - that leads to anywhere
 Without a light feat that I will - stumble in the dark
 Lay right down - decide not to go on
 PRE CHORUS:

Then from on high - somewhere in the distance
 There's a voice that calls - remember who you are

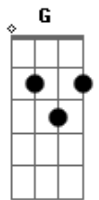

CHORUS:

If you lose yourself - your courage soon will follow
 So be strong tonight - remember who you are
 final:
 Ya you're a soldier now - fighting in a battle
 To be free once more - Ya that's worth fighting for
