

Bryan Adams - Summer of 69

tom:

do Álbum "The Best Of Me" [1999]
Duração: 3:34

Intro: D

I got my first real six strings - brought it at the five & dime
Played it 'til my fingers bled - was the summer of '69
Me and some guys from school - had a band and we tried real hard
Jimmy quit and Jody got married ? should I known we'd never get far

Oh when I look back now - that summer seemed to last forever
And if I had the choice - ya I'd always wanna be there
Those were the best days of my life

Ain't no use complaining - when ya gotta job to do
Spent my evenings down at the drive in
And that's when I met you ? ya

Standing on your mamma's porch -
You told me that you'd wait forever
And when I held your hand - I knew that it was now or never
Those were the best days of my life
Back in the summer of '69

Man we were killing time
We were young and reckless - we needed to unwind
I guess nothing can last forever...

Base do Solo: Riff 1 > 2x

Riff 1
And now the times are changing
Look at everything that's come and gone

Riff 1
Sometimes when I play that old six string
I think about you wonder what went wrong

Standing on your mamma's porch -
You told me that you'd wait forever
And when I held your hand - I knew that it was now or never
Those were the best days of my life
Back in the summer of '69
