

# Bryan Adams - When You Love Someone

Tom: C

INTRO: Am G C (2x)

When you love someone, you'll do anything  
 You'll do all the crazy things that you can't explain  
 You'll shoot the moon, put out the sun  
 When you love someone  
 You'll deny the truth, believe a lie  
 There'll be times that you believe that you could really fly  
 Your lonely nights have just begun  
 When you love someone  
 When you love someone you feel it deep inside

And nothin' else could ever change your mind

When you want someone, when you need someone

When you love someone

Solo: Am G C  
 Am G C F  
 Am G C  
 Dm G

When you love someone, you'll sacrifice  
 Give it everything you've got and you won't think twice  
 You'll risk it all no matter what may come  
 When you love someone  
 (Yeah) You'll shoot the moon, put out the sun  
 When you love someone

## Acordes
