

Bryan Adams - When You Love Someone

Tom: C

INTRO: Am G C (2x)

When you love someone, you'll do anything
 You'll do all the crazy things that you can't explain
 You'll shoot the moon, put out the sun
 When you love someone

You'll deny the truth, believe a lie
 There'll be times that you believe that you could really fly
 Your lonely nights have just begun
 When you love someone

When you love someone you feel it deep inside
 When you love someone

And nothin' else could ever change your mind
 When you want someone, when you need someone
 When you love someone

Solo: Am G C
 Am G C F
 Am G C
 Dm G

When you love someone, you'll sacrifice
 Give it everything you've got and you won't think twice
 You'll risk it all no matter what may come
 When you love someone

(Yeah) You'll shoot the moon, put out the sun
 When you love someone

Acordes
