

Bryan Behr - This Is Us

tom:
Intro: G F C G

G F
Oh, flowers

C
Growing in the silence of the night

G
Alright

G F
I'm suffering but living

C
Waiting for a phone call from home

G
That never comes

Am C
We still floating

G
On our weakness

D
And pretend we are on a pedestal

Am C
We still floating

G
On our weakness

D
And pretend we are on a pedestal

G F
This is us

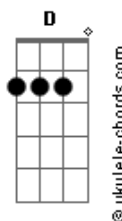

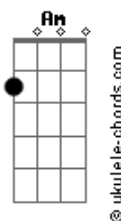

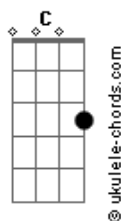

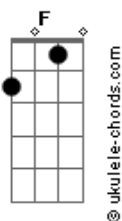

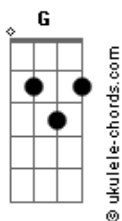

C
Always running for something we don't know, oh no

G F
This is us

C
Turning into something

We don't like at all

Acordes

I see skies

C
The blue ceiling of the world

G
That shows me now

G F
That I shouldn't fear

C
The speed of life

G
Just move it on

Am C
We still floating

G
On our weakness

D
And pretend we are on a pedestal

Am C
We still floating

G
On our weakness

D
And pretend we are on a pedestal

G F
This is us

C
Always running for something we don't know, oh no

G F
This is us

C
Turning into something

We don't like at all

G
We don't like at all

F C G
We don't like at all

Acordes Intro, Verso e Refrão

(G F C G)
