

Bryan Oliveira Bop - Não Desista

tom:

Olha Deus como eu me sinto tão triste
 Pois o mal se levantou pra me ferir
 A prova só aumenta o vazio
 A minha alma só deseja te servir

[Pré-Refrão]

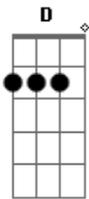

Na minha angústia clamei ao Senhor
 E ele me ouviu (resposta)

Olhando pros montes encontrei o criador
 E ele se atentou a mim

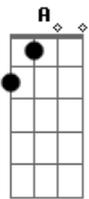

[Refrão]

Não desista meu filh_o
 Cristo vem te ajudar
 Ainda que a prova seja grande
 Sou o teu pastor nada te faltará
 A vitória Cristo vos dará
