

Bubble Guppies - Go Down To a Restaurant

tom:
Intro: A G Dm
[Primeira Parte]
My friends and I were hungry
For something good to eat
So we swam to the restaurant
Down the street
There were lots and lots of tables
Chairs at every one
So we all sat down together
And we started to have fun
Our meal has just begun!
I sat in a booster seat
So I can reach the table
I'll reach it on my own
Just as soon as I am able
Then a waiter with a mustache
Came up and said hello
(Hello!)
He asked me what I wanted, and I said
[Refrão]

"I want a meal at a..."
Restaurant!
I wanna eat at a
Restaurant!
I wanna eat at a
Restaurant!
I wanna go down to a restaurant!
Restaurant!

[Segunda Parte]

The waiter pointed to the menu
Which showed pictures of the food
So I ordered the spaghetti
Cause it's-a very, very good
The chefs are busy in the kitchen

Mixing up our stuff
I was getting really hungry
I hope they make eno--ough!
[Refrão]

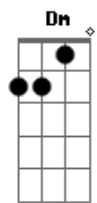

I want a meal at a
Restaurant!
I wanna eat at a
Restaurant!
I wanna eat at a
Restaurant!
I wanna go down to a restaurant!
Meatballs, salad, pasta, pizza pie!
Artichokes, string beans, curly fries!
Stir it up, mash it up
Mix it up, heat it up
And put it on a plate
So you can eat it up!
[Terceira Parte]
Yeah, the waiter brought our food out
And it was quite delicious
We ate and laughed and talked a lot
And we even met some fishes!
We got up and said goodbye
As soon as we were through
Next time I go to a restaurant
Maybe I'll go with yoo--ou!

[Refrão]

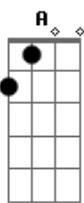

I want a meal at a
Restaurant!
I wanna eat at a
Restaurant!
I wanna eat at a
Restaurant!
I wanna go down to a restaurant!
Restaurant!

[Final]
I wanna go down to a restaurant!
