

Buddy Holly - You're The One

tom:

Intro: A D A E

You're the one - that's a-causing my blues

You're the one - I don't want to lose

You're the one that I'd always choose

You're the one that's meant for me.

You're the one - that I'm thinking of

You're the one - that I'll always love

You're the one - sent from heaven above

You're the one that's meant for me

(D A D A)

Sometimes you make me feel so bad

You make me cry deep in my heart

I feel like an actor in a play

Who doesn't fit the part

You're the one - and I want you to know

You're the one - that thrills a-me so

You're the one - I can't let you go

You're the one that's meant for me

(D A D A)

Sometimes you make me feel so bad

You make me cry deep in my heart

I feel like an actor in a play

Who doesn't fit the part

You're the one - and I want you to know

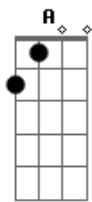

You're the one - that thrills a-me so

You're the one - I can't let you go

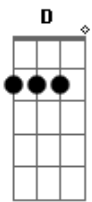

You're the one that's meant for me

[Final] A D A D A
