

Built To Spill - Carry The Zero

Tom: E

Am E B7 Gbm
I'm not knocking your want to carry that home
Am E B7 Gbm
Took it with you when you moved and got it broke
Am E B7 Gbm
Found the pieces, we counted them all alone
Am E B7 Gbm
Didn't add up, forgot to carry a zero

Am E B7 Gbm
I can't be your apologist very long
Am E B7 Gbm
I'm surprised that you'd want to carry that on
Am E B7 Gbm
Count your blemishes you can't they're all gone
Am E B7 Gbm
I can't see your response putting them back on
Am E
Like they're waiting for your guard to fall
B7 Gbm
So they can see it all
Am
And you're so occupied with what
E B7
Other persons are occupied with
Gbm
And vice versa

Am E B7
So you've become what you thought was dumb
Gbm
A fraction of the sum
Am E
Yeah you've become, yeah you have become
B7
A fraction of the sum
Gbm
The middle and the front
Am
And now it's coming back
E
Hasn't come too far
Am
I was trying to help but
E
I guess I pushed too hard
Am
And now we can't even touch it
E
'Fraid it'll fall apart
