whatever that feeling, give me some more
jah you see me let my mind
blend strings with that time
never have i felt such great feeling not in this lifetime

in the air
can you feel it
It is oh so near
can you see it
it is over there

reaching down on every soul
full and complete control
once more again
words from the wind whispers in my head
gently
let no tear shed, now everybody knows
musicakes me where my heart wants to go
