

Bülow - First Place

tom:

[Refrão]

We were never friends in the first place
So why you tryna be my friend now?
Oh, did I make you feel some type of way?
Don't really care, you need to slow it down

[Primeira Parte]

Here we go another episode
Wish I cared but I, I really don't
I can see what's going through your head
Did you really think that we were gonna be?

[Pré-Refrão]

So you feel you know me
No, you ain't my homie
Only hit me when you lonely
Tired of being phony
You better listen closely
Call me up and it go straight to voicemail
You ain't even a thought in my mind
Does that make you wanna cry?

[Refrão]

We were never friends in the first place

Oh, did I make you feel some type of way?
Don't really care, you need to slow it down

Never friends in the first place
So why you tryna be friends now?
Oh, did I make you feel some type of way?
Don't wanna hear about your feelings now (Yeah)

[Segunda Parte]

I'm not tryna be mean, but you keep pushing me
While I'm dozing out watching re-runs on the screen
Why you always hit me up when I'm tryna eat?
What if I did that?
So you feel I owe you
I don't even know you
I don't even want to put yourself in my shoes
What if I did that to you?
(What if I did that to you?)
Yeah, what if I did that to you?

[Refrão]
