

Bumpin Uglies - Morning After

Tom: G

Morning after waking up to see ^{Ab}
^{Cm} That shes lieing in bed right next to me
^{Bbm} With an empty bottle of c and c
^{Db} Oh my god what a night of debauchery ^{Eb}

^{Ab} There's a thin line between haste and action
^{Cm} A thin line between obsession and passion
^{Bbm} But i walk the line cause aint no time to waste
^{Db} Emotionally drive i've got a dream to chase ^{Eb}
^{Ab} But nobody ever said you've gotta walk it alone
^{Cm} Every man deserves a pretty girl at home
^{Bbm} With the love that she supplies you share the highs and the lows
^{Db} When you look into her eyes she just smiles and it shows ^{Eb}
^{Ab} You get weak knees when she comes around
^{Cm} You cant speak free cause of how you think it sounds
^{Bbm} Butterflies creeping up into your chest
^{Db} And the whiskey logic has you thinking you should confess ^{Eb}
^{Ab} But there's a thin line between haste and action
^{Cm} So just sit back and enjoy the chain reaction
^{Bbm} You can't force a moment can't create the divine
^{Db} But if you wait patiently it's just something you'll find ^{Eb}

^{Ab} Now it's the morning after waking up to see
^{Cm} That shes lieing in bed right next to me
^{Bbm} With an empty bottle of c and c
^{Db} Oh my god what a night of debauchery ^{Eb}

^{Ab} There was a bottle of wine, a case of beer
^{Cm}

90 minutes flat we made it disappear
^{Bbm} We had a couple of laughs she had a look in her eye
^{Db} I had a couple of thoughts as to the reason why ^{Eb}
^{Ab} It was summer time and we were living in ease
^{Cm} On an overcast night with an underblown breeze
^{Bbm} There ain't ever been a sight quite as pretty to me
^{Db} As a brown eyed flower child drinking straight whiskey ^{Eb}
^{Ab} There was liquid courage running through my veins
^{Cm} And we went bar to bar running thought the rain
^{Bbm} The kind of love that drives a man insane
^{Db} An oasis of bliss amongst a desert of pain ^{Eb}
^{Ab} But there's a thing line between haste and action
^{Cm} And now i'm crossing lines in search of satisfaction
^{Bbm} Truth of the matter its as simple as this
^{Db} Happiness can't exist until you take a little risk ^{Eb}
^{Db} Aya o o ^{Eb}

[Solo] ^{Db} ^{Eb}
^{Db} ^{Eb} Last call the destroyer of dreams
^{Db} We were making a scene they had to ask us to leave ^{Eb}
^{Db} So we took it past what we once conceived ^{Eb}
^{Db} With a moonlit walk along an empty street ^{Eb}
^{Db} And she looked at me with a close lipped smile ^{Eb}
^{Db} And said shes not going home tonight ^{Eb}
^{Db} My reply, quite simply put: ^{Eb}
^{Db} Will you still love me in mornings light? ^{Eb}

^{Ab} Now it's the morning after waking up to see
^{Cm} That shes lieing in bed right next to me
^{Bbm} With an empty bottle of c and c
^{Db} Oh my god what a night of debauchery ^{Eb}
