

Bunt - Coming Home

I am careless and i'm lost
Cause she's left me with eyes far too glossed
I have stumbled, crawled far ahead
Cause in my mind, don't want to need her instead
When I see her, my heart feels like a sinking stone
Oh, I know I need her
I'm not sure if she's coming home
All along, I'm not sure if she's coming home
All along, I'm not sure if she's coming home

Now, in the dark I wait
For the moment to slip and slide away
I feel bad, bad to my bones
Left it waiting like a fool that's too far gone

Oh, I know I need her
I'm not sure if she's coming home
All along, I'm not sure if she's coming home
All along, and my heart's like a sinking stone
I'm a man, just can't hide
She's still on my mind
Like the dark that covers night
