Friday night
Nothing better to do than
Wishing you here by my side
Looking at me with those eyes
Your taste
Poisoned me
And honestly I think I liked it
But I won't tell anyone
And there's nothing more to say about us
Everything turned into a gray song
I gave you my heart and you played
Someday I will throw
All these memories away
All these memories away
Since you've been gone
I catch myself thinking
I catch myself thinking about you
But it doesn't matter anymore
?Cause everything turned into a
Gray song
I gave you my heart and you played
Someday I will throw
All these memories away
All these memories
Into a gray song

I gave you my heart and you played
Someday I will throw
All these memories away
All these memories away
[Solo]
But it doesn't matter
But it doesn't matter
But it doesn't matter
But it doesn't matter anymore
?Cause everything turned into a
Gray song
I gave you my heart and you played
Someday I will throw
All these memories away
All these memories away
It's just a gray song
It's just another gray song
And I will throw
All these memories away
