[Solo 1]

tom:

D (forma dos acordes no tom de Eb)

Afinação: Eb Ab Db Gb Bb Eb

Intro: G Em C Eb

Well, the time has come
To put my guns down
Well, the time has come
I need to get my head straight

And Mary I am sorry for what I said
And Mary I am sorry for what I did
And Mary I am sorry for what I did

I didn't want you
To be the victim of those bullets
I didn't mean for you
To be in my broken-heart collection

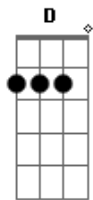

Mary I am sorry for what I said
And Mary I am sorry for what I did
To you!

Mary I am sorry for what I said
And Mary I am sorry for what I did
And Mary I am sorry for what I did
Mary I am sorry for what I did!
