

Burt Bacharach - I'm a Better Man (for Having Loved You)

Tom: **F**

F
If I could catch a star before it touched the ground
Am **Dm**
I'd place it in a box, tie ribbons all around
Bb7
And then I'd offer it to you
Dm **Am**
A token of my love and deep devotion

Gm **Gbdim**
The world's a better place with you to turn to
Gm **C7**
I'm a better man for having loved you

And now, at last, I face the future unafraid
With you here by my side, how fast the shadows fade
And there is hope inside my heart
Cause I have something wonderful to live for

Chorus

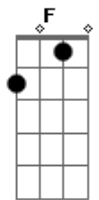

Bridge:

F **Am** **F** **Am**
And as I am today, that's how'll always stay
F **Am**
A better man for having loved you
F **Am**
A better man for having loved you

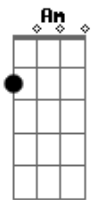

Chorus Bridge

If I could catch a star before it touched the ground
I'd place it in a box, tie ribbons all around
And then I'd offer it to you
