

Burt Bacharach - Kentucky Bluebird (Send A Message To Martha)

Tom: **F**

F
Spread your wings for New Orleans **Bb**
Bbm **F**
Kentucky bluebird, fly away
And take a message to Martha, message to Martha
Bb
She sings each night in some cafe
F **Bb7**
In her search to find wealth and fame
C **C7** **F**
I hear Martha has gone and changed her name

It's a year since she was here
Kentucky bluebird, fly away
And take a message to Martha, message to Martha
Tell her I miss her more each day
As her train pulled out down the track

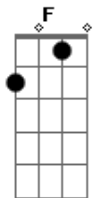

Martha promised she'd soon be coming back

C **Am**
Oh tell her how my heart just breaks, in two
F
Since she journeyed far
C **Am**
And even though her dreams of fame fell through
Bb7 **C**
To me she will always be a star

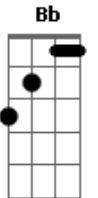

Spread your wings for New Orleans
Kentucky bluebird, fly away
And take a message to Martha, message to Martha
Ask her to start for home today
When you find her please let her know
Rich or poor, I will always love her so

F **Bb**
Fly away, Kentucky bluebird (repeat and fade)
