Look in my eyes, Maria and you will see

And in my heart there's no one but you

Look in my eyes, Maria and you will find
My soul is there for you to see
And in my soul there's love just for you

And I swear by the heavens above me

That you will find the truth within my eyes

They say the eyes are the mirrors of love

The mirror never lies

Look in my eyes, Maria and you will see
Someone how would be happy
To just lay his life out for you
