[Verso]

Well I found out yesterday  
That I'm in love  
And I don't know what else to say  
But thank you Lord  
For that sundress on that Saturday  
Walkin' barefoot down the beach

[Segunda Parte]

Smell of the rain up in the air  
Smell the flowers in her hair  
And I swear on my life  
If you need a joke? I'll be there  
You need a smoke? Here take my spare  
I always thought that you were fine

[Refrão]

So whataya say when we're 26  
We'll get married just for kicks and  
Move out to Alaska way up there  
I'll get a job stacking bricks

## Acordes

You stay at home with the kids and  
I'll bring the bacon back home to you girl  
We're making the best of this world

You never knew how to tell a lie  
I'll be an honest man till I die you know  
And this young love  
It's got me high  
It's got me high  
Making the best of this life
