

# Cabin - Cover Your Eyes

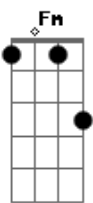

tom:  
C  
Against what you've learned  
You can trust what you read  
Fm  
And believe every word  
C  
From a language we no longer speak  
Life is a gift  
Your only concern: "is there life after this"  
C  
Am I worthy of earning my wings  
Fm  
Is there room on the list for someone who needs to see proof  
you exist  
C  
It's just not that easy for me  
Fm  
It's just not that easy  
Db  
Something's still missing  
Ab  
You promised that it would materialize  
Db  
It's there if you listen  
Ab  
I swear that I must not be hearing you right  
Db  
With god as my witness, I've made it my business to be on his  
side  
Ab  
And somehow I'll never be sure  
Ab  
But I'll keep asking why

Db Eb Ab  
Because you can't hide from the world by covering your eyes  
C  
Always on trial  
Fm  
Hoping the verdict will make this worthwhile  
C  
Can someone please tell me the score  
Fm  
I'll be on the fence until you stand up and take credit for  
this  
C  
The truth is, I'd rather not know  
Fm  
I'll pray that the rest will make up for all of the days that  
I've missed  
C  
It won't be so easy for me  
Fm  
It's just not that easy  
Db  
Something's still missing  
Ab  
You promised that it would materialize  
Db  
It's there if you listen  
Ab  
I swear that I must not be hearing you right  
Db  
With god as my witness, like nobody's business, you know that  
I've tried  
Db  
And somehow I'll never be sure  
Ab  
But I'll keep asking why  
Db Eb Ab  
Because you can't hide from the world by covering your eyes
