

Caetano Veloso - Canto do Mundo

Tom: E

(Dbm7)

Pr'esse canto do mundo

De onde é que ele virá

Do meu sonho profundo

Ou do fundo do mar

Com que voz cantará

Com que luz brilhará

Há de vir seja como for

Pr'esse canto do mundo

De onde virá o amor?

(Dbm7)

Nessa vida vazia

Por que tarda meu bem?

Uma imensa alegria
Que se guarda pra quem?

Seja um anjo do céu
Seja um monstro do mar

Venha num disco voador

Mas que saiba que é meu

No segundo que olhar

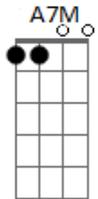

Pelo encanto maior
Pr'esse canto do mundo

Quando virá o amor?

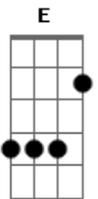

0 meu amor...

0 meu amor...
