tom:

F

Intro: Gm7 C7

Carolina

Nos seus olhos fun\_\_\_\_dos

Guarda tanta dor

A dor de todo esse mundo

Eu já lhe avisei que não vai dar

Seu pranto não vai nada ajudar

Eu já convidei para dançar

É hora, já sei, de aproveitar

Lá fora, amor

Uma rosa nasceu

Todo mundo sambou

Uma estrela caiu

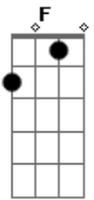

Eu bem que mostrei sorrin\_\_\_\_do

Pela janela: Ói, que lindo!

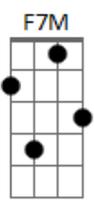

E só Carolina não viu
