

# Caetano Veloso - In The Hot Sun Of A Christmas Day

tom:

Em

They are chasing me

In the hot sun

Of a Christmas Day

But they won't find me

In the hot sun

Of a Christmas Day

I walk the streets

In the hot sun

Of a Christmas Day

Everybody's blind

In the hot sun

Of a Christmas Day

Of a Christmas Day

I need my girl

In the hot sun

Of a Christmas Day

She seems to love me, bliss

In the hot sun

Of a Christmas Day

Machine gun

In the hot sun

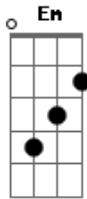

Of a Christmas Day

They killed someone else

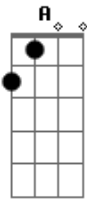

In the hot sun

Of a Christmas Day
