 Nosso amor resplandecia sobre as águas que se movem
 C F Bb7 Am D7 Dm Fm E A
 Ela foi a minha guia quando eu era alegre e jovem
 C Bb7 A7 AbM7 Db7 Dm G7 Am
 Nosso ritmo, nosso brilho, nosso fruto do futuro.
 F Fm AbM7 A G7
 Tudo estava de manhã
 C Bb7 A7 AbM7 DbM7 Dm G7 C
 Nosso sexo, nosso estilo, nosso reflexo do mundo
 F Fm Ab7 A G
 Tudo esteve em Itapuã

C Am Dm Bm
 Itapuã, tuas luas cheias, tuas casas feias

Viram tudo, tudo, o inteiro de nós

C Am Dm Bm
 Itapuã, tuas lamas, algas, almas que amalgamas

Guardam todo, todo, o cheiro de nós

A A7 D Dm
 Abaeté, essa areia branca ninguém nos arranca
 É o que em Deus nos fiz
 Nada estanca em Itapuã, ainda sou feliz

C Am Dm Bm
 Itapuã, quando tu me faltas, tuas palmas altas

Mandam um vento a mim, assim: Caymmi

C Am Dm Bm
 Itapuã, o teu sol me queima e o meu verso teima

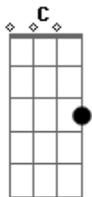

Em cantar teu nome, teu nome sem fim

A A7 D Dm C
 Abaeté, tudo meu e dela. A lagoa bela sabe, cala e diz

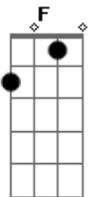

F Fm
 Eu cantar-te nos constela em ti eu sou feliz

C F Bb7 Am D7 Dm Fm E A
 Ela foi a minha guia quando eu era alegre e jovem
