

Caetano Veloso - Nature Boy

Tom: **F**

(intro) **Em7** **A7** **A7**

Dm7 **Em7**
There was a boy

A7 **Dm7** **Em7**
A very strange enchanted boy

A7 **Dm** **Dm7** **Dm7** **Dm**
They said he wandered very far, very far

Em7 **Dm7** **Em7** **A7**
Over lands and seas

Em7 **A7** **Dm** **Dm7**
A litte shy and sad of eyes
E7 **A7**

But very wise was he

Dm7 **Em7**
And then one day

A7 **Dm7** **Em7**
A magic day he passed my way

A7 **Dm** **Dm7**
And while we spoke of many things

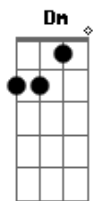

Dm7 **Dm**
Fools and kings

Gm7 **Dm7** **Em7** **A7**
This he said to me

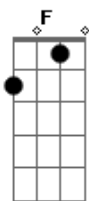

Em7 **A7** **Dm** **Dm7**
"The greatest things you'll ever learn

E7 **A7** **Dm7**
Is just to love and be loved in return "
