Caetano Veloso - Nature Boy

tom: F Em7
There was a boy
Am7 Em7
A very strange enchanted boy
Am7 Em7 Em7
They said he wandered very far, very far
Am7
Over lands and seas

Am7 Em7
A litte shy and sad of eyes

Gb7 B7
But very wise was he

Em7
And then one day
Am7 Em7
A magic day he passed my way
Am7 Em7
And while we spoke of many things
Em7
Fools and kings
Am7
This he said to me
Am7 Em7
"The greatest things you'll ever learn
Gb7 B7 Em7
Is just to love and be loved in return "
