

Caetano Veloso - Nine Out Of Ten

Tom: **C**

Dm - **C** - **Bb** - **G**

Walk down Portobello road to the sound the reggae
I'm alive
The age of gold, yes the age the age of old
The age of gold
The age of music is past
I hear them talk as is walk a hear them talk
I hear they say
Expect the final blast
Walk down Portobello road to the sound the reggae

I'm alive

I'm alive and vivo muito vivo, vivo, vivo
Feel the sound of music banging in my belly, belly, belly
And I Know that one day I must die
I'm alive
Yes I know that one day I must die
I'm alive

I'm alive and vivo muito vivo, vivo, vivo
In the Eletric Cinema or on the telly, telly, telly
Nine out of ten movie stars make me cry
I'm alive
nine out of ten film stars make me cry
I'm alive

Acordes
