

# Caetano Veloso - O Fundo

Tom: D

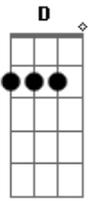

Nem o olho no fundo do céu  
 Nem a estrela no fundo do mar  
 Nem o ouro na borda do mel poderá  
 Revelar os segredos de Deus  
 Ocultar as notícias que há  
 Sobre os lábios, por baixo dos véus, pelo ar

Nem a imagem, a idéia-pincel  
 Que melodicamente se dá  
 Em palavras exatas na voz de quem  
 Sabe cantar  
 Nem o não do silêncio do breu  
 Nem o sim da explosão estelar  
 Nem o branco do puro papel  
 Chega lá
