

Caetano Veloso - Ó Paí, Ó

tom:

Cm

Olhe o sol como se põe
E cobre de cobre o mar
Olhe o frevo que se compõe
Ó pra lá
Ó pra aqui, ó pro meu olho
Ó pra eu te olhando me olhar

Em cara, cara com vida

Ói sangue sobre a avenida

Ijexá

Milhões

E cada um é um

Milhões

E cada um é só

E cada um é só

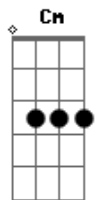

[Refrão]

Ó pai, ó!

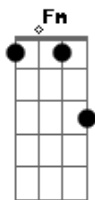

Ó pai, é!

Olhe o jeito do ilê
Ói preto no camarote
Ói pra cobra
Dando o bote
Cordeiro de Oxumaré
Ói homem sendo mulher
Ó pra igreja universal
Do guerrilheiro muzenza ow ow
Ói que quenga
Ói que Deusa veio do rio
Saiu da televisao
Ó pro poder do negão
Ó pra fila da PM
Ó pros meninos sem casa
Ó pro rapazes sem rua
Ó pra modestia da lua
Perdida atrás do farol
Ói que nó
