Retocai o céu de anil

Bandeirolas no cordão

Grande festa em toda a nação

Despertai com orações

O avanço industrial

Vem trazer nossa redenção

Tem garotas-propaganda

Aeromoças e ternura no cartaz

Basta olhar na parede

Minha alegria num instante se refaz

Pois, temos o sorriso engarrafado

Já vem pronto e tabelado

É somente requeentar e usar

É somente requeentar e usar

Porque é made, made, made

Made in Brazil

(vamos voltar à pilantragem)

Porque é made, made, made

Made in Brazil

(G A G A G)

Retocai o céu de anil

Bandeirolas no cordão

Grande festa em toda a nação

Despertai com orações

O avanço industrial

Vem trazer nossa redenção

A revista moralista

Traz uma lista

Dos pecados da vedete

E tem jornal popular que

Nunca se espreme

Porque pode derramar

É um banco de sangue encadernado

Já vem pronto e tabelado

É somente folhear e usar

É somente folhear e usar

Porque é made, made, made

Made in Brazil

(Vamos voltar à pilantragem)

Porque é made, made, made

Made in Brazil (Mais uma vez)

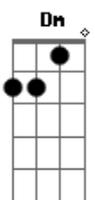

Porque é made, made, made

(As margens plácidas)

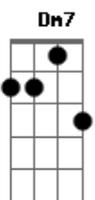

Made in Brazil

Made in Brazil
