

Caetano Veloso - Sem Cais

Tom: C

Dm Am G7
 Catei colo
 E o mar parou
 Fui deitando
 Pra perguntar
 Nome, bairro
 Amigo, amor
 De onde venho
 Parar o mar

Seu sorriso
 Bateu aqui
 Inda posso
 Me apaixonar

Dm
 Quero tanto
 F
 Quero tanto
 G7 C Db7
 Quero tanto você

Dm
 Mar aberto
 F

Mar adentro

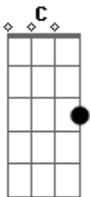

Mar imenso
 G7 C Db7 Dm
 Mar intenso sem cais

Tou com medo
 Tou com medo
 Tou com medo
 Tou com medo de ver
 Que inda posso
 Que inda posso
 Que inda posso
 Ir bem mais

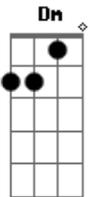

Barra, Gávea
 E Arpoador
 Deuses brancos
 De luz do mar
 Deuses negros
 Um esplendor
 Quem é essa
 E o que será

Quem me dera
 Eu poder me dar
 Todo a essa
 Que eu nunca vi
