

Caetano Veloso - Tá Combinado

Tom: D

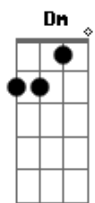

Bm7 **E7** **Bm7**
 Então tá combinado, é quase nada
E7 **A** **Gb7**
 É tudo somente sexo e amizade.
Bm7 **E7** **Bm7**
 Não tem nenhum engano nem mistério.
E7 **A** **Gb7**
 É tudo só brincadeira e verdade.
Em7
 Podemos ver o mundo juntos,
A7
 Sermos dois e sermos muitos,
D7 **Dm**
 Nos sabermos sós sem estarmos sós.
Dbm7 **Gb7**
 Abrirmos a cabeça
B7
 Para que afinal floresça
Bm7
 O mais que humano em nós.
Bm7 **E7** **Bm7**
 Então tá tudo dito e é tão bonito
E7 **A** **Gb7**

E eu acredito num claro futuro
Bm7 **E7** **Bm7**
 de música, ternura e aventura
E7 **A** **Gb7**
 Pro equilibrista em cima do muro.
Em7
 Mas e se o amor pra nós chegar,
A7
 De nós, de algum lugar
D7 **Dm**
 Com todo o seu tenebroso esplendor?
Dbm7 **Gb7**
 Mas e se o amor já está,
B7
 se há muito tempo que chegou
Bm7
 E só nos enganou?
Bm7 **E7** **Bm7**
 Então não fale nada, apague a estrada
E7 **A** **Gb7**
 Que seu caminhar já desenhou
Bm7 **E7** **Bm7**
 Porque toda razão, toda palavra
E7 **A**
 Vale nada quando chega o amor...
