

Caetano Veloso - Wait Until Tomorrow

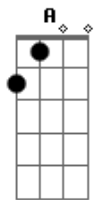

Tom: **A**

Intro: **A D**

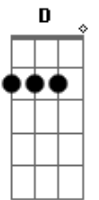

Well, I'm standing here freezing, inside your golden garden
 Got my ladder leaned up against your wall
 Tonight's the night we planned to run away together
 Come on dolly mae
 There's no time to stall
 But now you're telling me that ah...
E7 I think we better wait till **Am7 G**
E7 I think we better wait till **Am7 G**
E7 I think we better wait till **Am7 G**
 Got to make sure it's right
 So until goodnight
A
 Oh, dolly mae
D
 How can you hang me up this way
A
 Oh the phone you said you wanted to run off with me today
A
 Now I'm standing here like some turned down serenading fool
A
 Hearing strange words stutter from the mixed up mind of you
 And you keep telling me that ah...

E7 I think we better wait till **Am7 G**
E7 I think we better wait till **Am7 G**
E7 I think we better wait till **Am7 G**
 Got to make sure it's right
 So until goodnight
A
 Oh, dolly mae
E7
 Girl, you must be insane
A
 So unsure of yourself learning from your unsure window pane
A
 Do I see a silhouette of somebody pointing something from a tree?
A
 Click, bang
 Oh, what a hang
E7
 Your daddy just shot poor me
 And I hear you say
 As I fade away
E7 **Am7 G**
 We don't have to wait till **Am7 G**
E7 **Am7 G**
 We don't have to wait till **Am7 G**
E7 **Am7 G**
 We don't have to wait till
 It must not have been right, so forever, goodnight
E7 **Am7 G**
 We don't have to wait till
 It must not have been right, so forever, goodnight
