

Cage The Elephant - Cold Cold Cold

Tom: A

m [Intro] Am G Am G Am G E

Am G Am G Am G Am G
 Doctor look into my eyes
 Am G Am G Am G Am G
 I've been breathing air but there's no sign of life
 Am G Am G Am G Am G
 Doctor the problem's in my chest
 Am G Am G Am G Am G
 My heart feels cold as ice but it's anybody's guess

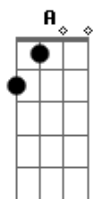

Am G Am G Am G Am G
 Doctor can you help me cause I don't feel right
 Am G Am G Am G Am G
 Better make it fast before I change my mind
 Am G Am G Am G Am G
 Doctor can you help me cause I don't feel right
 Am G Am G Am G Am G
 Better make it fast before I change my mind

Am G Am G Am G Am G
 Well it's cold, cold, cold, cold inside
 Am G Am G Am G Am G
 Darker in the day than the dead of night
 Am G Am G Am G Am G
 Cold, cold, cold, cold inside
 Am G Am G Am G Am G
 Doctor can you help me cause something don't feel right
 C E
 Something don't feel right

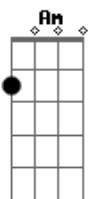

(Am G Am G)
 (Am G Am G)

Am G Am G Am G Am G
 Sweet nurse don't look at me that way
 Am G Am G Am G Am G
 I've seen those eyes before I can tell you want to play
 Am G Am G Am G Am G
 Counselor give me some advice
 Am G Am G Am G Am G
 Tell me how hard will I fall if I live a double life
 Am G Am G Am G Am G
