G                                      E
The heat is rising and only getting hotter, ready to blow
G                                 E
I think I'll pour myself a glass of water, let it flow
G                        E
She'll show you what she's made of
E
Yeah she's comin' for ya
G                 E
She's gonna try to break ya
E
Yeah she's comin' for ya
