Sun went down, sun went down over Pompeii

On both sides the vow was broken

Oh my my, I'm the one trying to hide this damage done

One day, all our secrets will be spoken

[Pré-Refrão]

C Em D  
As we slow danced, I became your statue frozen

C Em D  
?Times I wonder, are we just a puff of smoke, yeah

C Em D  
Underneath this bed of ashes, still withholding

G C B  
Everything like we were never close

[Refrão]

Em C  
Don't you worry baby, no sense trying to change it

G B  
I?ma strike these matches, never had control

Em C  
I'm ready to let go, was I fooling myself?

I'm ready, I'm ready, I'm ready to let go
