

Cage The Elephant - Right Before My Eyes

Tom: **C**

Intro: (**Em Am G**)
(**C Em Am G**) (2x)

Verse 1:

C Timber shakes these trails they all derail **Em**
Am Phony, false and frail
G An empty ocean lost our way with no direction home **C**
Em Golden needles names we take in vein
Am Find it harder to remain
G And nothings sacred still waiting on that explanation

Chorus:

C Right before my eyes
G I saw the whole world lose control
Am The whole world lost control
F Before my eyes uh-huh **G**
C I fell through the floor
G I couldn't take this anymore
Am I can't take this anymore
F It breaks my mind uh-huh **G**

Verse 2:

C Hold your dirty hand over the flames **Em**
Am Getting pleasure from the pain
G Softly screaming the pistol that you raise has spoken
C Golden needles names we take in vein **Em**
Am Find it harder to remain **G**

Well nothings sacred still waiting on that explanation

Chorus:

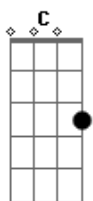

C Right before my eyes
G I saw the whole world lose control
Am The whole world lost control
F Before my eyes uh-huh **G**
C I fell through the floor
G I couldn't take this anymore
Am I can't take this anymore
F It breaks my mind uh-huh **G**

Bridge:

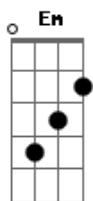

F Everything I thought I knew fell to the side **Am**
F Time went on and on I couldn't see past my on eyes **Am**
G Past my eyes
Am Past my eyes
G Past my eyes
Chorus:

C Right before my eyes
G I saw the whole world lose control
Am The whole world lost control
F Before my eyes uh-huh **G**
C I fell through the floor
G I couldn't take this anymore
Am I can't take this anymore
F It breaks my mind uh-huh **G**
