

# Cage The Elephant - Skin And Bones

Tom: **G**

Intro: **Am F Dm F**

[Verso 1]

**Am** **F**  
Close my eyes and drift into the silence  
**Dm**  
Barely see the ultraviolet  
**F**  
Slipped and fell into the deep end  
**Am** **F**  
Oh, the sidewalk shimmer just like diamonds  
**Dm**  
All the empty words were flying  
**F**  
Well, the heart was low, but I never was alone  
I never was alone

[Refrão]

**Am** **C** **Dm** **F**  
I've been running for so long  
**Dm** **F**  
All that's left is skin and bones  
**Dm** **F**  
Close my eyes, fight to carry on  
**Am** **C** **Dm** **F**  
Sometimes it makes no sense at all  
**Dm** **F**  
If I stumble, will I fall?  
**Dm** **F**  
If I fall, I'll tuck and roll  
**Dm**  
Close my eyes and let the love-light guide me home  
**Dm**  
Let the love-light guide me home

[Verso 2]

**Am** **F**  
One step fades and falls into another  
**Dm**  
I'm not getting any further  
**F**  
Left you feeling like an alien  
**Am** **F**  
All the shining sidewalks, they were lying  
**Dm**  
Lost myself while I was hiding  
**F**  
And the heart was low, but I never was alone  
**F**

I never was alone

[Refrão]

**Am** **C** **Dm** **F**  
I've been running for so long  
**Dm** **F**  
All that's left is skin and bones  
**Dm** **F**  
Close my eyes, fight to carry on  
**Am** **C** **Dm** **F**  
Sometimes it makes no sense at all  
**Dm** **F**  
If I stumble, will I fall?  
**Dm** **F**  
If I fall, I'll tuck and roll  
**Dm**  
Close my eyes and let the love-light guide me home  
**Dm**  
Let the love-light guide me home

( **Am F Dm F** )

[Ponte]

**Dm** **F**  
Hearts are empty almost all the time  
**Dm** **F**  
Blind devising ways to lead the blind  
**Dm** **F**  
And it seems as if there's no end in sight  
**Dm** **F**  
I don't wanna be there when it all goes down  
**Dm** **F**  
But if I gotta be there, don't let me hit the ground  
**F**  
Can I hit the ground?

[Refrão]

**Am** **C** **Dm** **F**  
I've been running for so long  
**Dm** **F**  
All that's left is skin and bones  
**Dm** **F**  
Close my eyes, fight to carry on  
**Am** **C** **Dm** **F**  
Sometimes it makes no sense at all  
**Dm** **F**  
If I stumble, will I fall?  
**Dm** **F**  
If I fall, I'll tuck and roll  
**Dm**  
Close my eyes and let the love-light guide me home  
**Dm**  
Let the love-light guide me home
